EDUCATION

Chandigarh University

Bachelor of Engineering in Computer Science(CGPA: 8.76)

August 2022-PRESENT

Green Valley Public School, Tohana

Senior Secondary Education, CBSE (Percentage: 82%)

April 2021 – March 2022

Secondary Education, CBSE(Percentage: 91.6%)

April 2019- March 2020

Career Objective

An aspirant software development engineer with a strong grasp of data structures, algorithms, and software design principles who is extremely driven and results-oriented. knowledgeable about programming languages like C++ and has practical experience creating and refining software programs. enthusiastic about developing effective, scalable solutions and addressing problems. I'm looking for a chance to use my technical expertise, develop as an SDE, and help create cutting-edge software solutions in a fast-paced development environment.

Core Skills

C,C++,DBMS, Blockchain ,AI ,OS,CN, Cloud Computing

Interpersonal Skills

Communication skills, Collaboration, Leadership,Decision-Making, Adaptability

CERTIFICATIONS

- Blockchain using Ethereum and Avalanche (October 2024)
- Cloud Computing (May 2024)
- Introduction to SQL(March 2024)
- Introduction to Relational Databases (RDBMS)
- Databases and SQL FOR Data science with Python (March 2024)

Co curriculum Activites

Joint Secretary

ISTE Student Chapter Chandigarh University

August 2024-PRESENT

Executive member (Creative Content writer)

Presenters Club

August 2023- May 2024

Class Representative

August 2023-December 202

Projects

1.Swift Learn (Sep 2024 - Dec 2024)

Technologies: Flutter, App Development

Developed a cross-platform learning app with interactive features like quizzes and notifications.

2.IoT-Based Smart Dustbin (Mar 2024 - May 2024)

Technologies: Arduino, Ultrasonic Sensor

Built a smart dustbin using an ultrasonic sensor for waste level detection and automated alerts.

3.Face Recognition Attendance System (Sep 2023 - Nov 2024)

Technologies: Python, OpenCV, AI

Implemented an AI-based face recognition system for automated attendance tracking and record management.
